

SUNDAY OF ORTHODOXY

First Sunday of Great Lent

MARCH 24, 2024

BRING YOUR ICONS!

Dating back to the year 843, the first Sunday of Great Lent commemorates the victory and restoration of icons in the Church.

There will be a procession of icons at the end of liturgy with Fr. Niko. All are invited to participate in the procession, adults and children, just as Christians did in the past.

Extra icons will be provided for anyone who forgets to bring one.
